

Activity Bus

9,600, 10,000, 12,000 & 19,500# GVWR

The Mid Bus Activity Bus is available in 4 to 7 rows (body sections) of seating, with floor plans for 14 to 41 passengers. The Activity Bus is available on a GM chassis with either a gas or a diesel engine. The units are available in a wide variety of exterior colors.

The Mid Bus Activity Bus meets all FMVSS requirements and can be built to each state's school bus specifications. Front or Rear Wheelchair Lifts are available upon request on dual rear units.
